Dear Donor,

As is usual each week, Kendra, a NEST Alliance director/volunteer recently drove the van to pick up children for our NEST Kids Program. What was not usual was that Tammy, a treasured volunteer who helps with van transportation, and Kendra were surprised by questions from a NEST Kid who was sitting close to the driver's seat. This is a child who has been enrolled in the NEST Kids Program since we began 9 years ago, and is now in his 5th grade school year and doing well.

His question was, "Do you all get paid to do this?"

Kendra responded, "No, we don't get paid. We just enjoy our time spent with you."

There is a pause before he asks, "How do you pay your electric bill?"

With a lump in her throat, Kendra answers, "We have some people and churches who give donations to help us pay for things we need so we can do what we do."

The boy was quiet for a moment, and then he says, "Oh." Another pause, and then he adds, "You really need to thank those people."

Today, we are doing what this long-term NEST Kid said we need to do. We are **really thanking each of you** for your support. You help us "keep the lights on in children's lives" in more ways than you can imagine.

In gratitude,  
The NEST Alliance Board of Directors

### ROOTS AND WINGS: HOPE FOR BRIGHTER FUTURES

#### Becoming A Reality

Approximately 70 people, including representation from churches, community organizations and interested individuals were present at the *Roots and Wings: Hope for Brighter Futures* event sponsored by The NEST Alliance, the Ashe County Department of Social Services and Crossnore School and Children's Home on August 24th. The NEST Alliance is excited to be a part of a fostering communities initiative to bring more foster homes to our county. Currently, 56 local children are in foster care and over half of those children need to be sent outside of our county for placement. We look forward to the day when we have more foster homes in Ashe County than we have children needing homes.

#### A SAMPLE OF "BECAUSE OF YOU"

*Two middle-school boys are playing football this season because their registration fees were paid.*

*One student went to Washington with his class.*

*One special needs foster child has a car seat designed to meet a disability and can now travel in a car.*
