WHERE HOPE BECOMES REALITY...

THE NEST HOUSE

THE NEST ALLIANCE IS HAPPY TO
ANNOUNCE THAT WE NOW OWN A
HOUSE THAT BRINGS A MAJOR GOAL
OF OUR ROOTS AND WINGS MISSION
INTO REALITY. EACH CHILD WILL SEE
A WHITE BRICK WALL AND FIREPLACE WHEN
THEY ENTER THAT IS A SYMBOL OF
THE WARMTH AND SOLID LOVE THAT IS
IN THIS PLACE FOR THEM WHEN
THEY NEED COMFORT MOST. THANK
YOU FOR YOUR ONGOING AND CARING
SUPPORT THAT MAKES THIS POSSIBLE.

Work is in progress in the following areas on the house at this time: electrical, plumbing, heating, paving, fencing, porch extension, storage unit, painting, and furnishing.

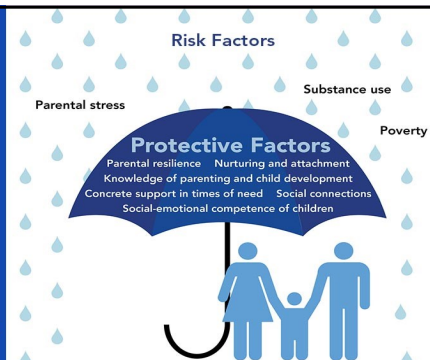

The NEST Alliance recognizes that April, as National Child Prevention Month, plays a crucial role in raising awareness that this tide needs to turn in our nation, our state, and our county.

Thank you for supporting ways to help the most vulnerable among us.

We believe Ashe County can be a place where adults work together to take on the heavy shoulder weight borne by children who are victims of abuse or neglect. We believe in strengthening families through our NEST Kids program, through assisting with basic needs through our NEST NET Resource program and through offering a safe, immediate place for children through our Roots and Wings program. We believe in your continued support to make each of these programs as strong as they can be. We believe that no child should feel the heavy weight of being sad and alone, especially in the most difficult of circumstances. We believe the strongest prevention is when adults say “enough is enough,” and then follow through with active help.

A WORK IN PROGRESS & HOW YOU CAN BE PART OF IT !

Work is in progress to have the interior of **The NEST House** completed as a calming, healing, kind and restoring place. A Wish List has been created that includes items that a supporter may purchase and then donate specifically for **The NEST House**. Items will be checked off when a purchase is being made for donation. A tax receipt letter will be sent to each donor from The NEST Alliance that states the type of donation (e.g., chair, table, rug, etc.), but the individual donors would assign the value when they are filing taxes from the receipt received when they purchased the item. If you are interested in helping furnish **The NEST House**, please visit our website to view our Amazon Wish List or contact us via email at thenestalliance@gmail.com. Together, we can provide the environment that creates a sense of calm and peace in this house designed for a child who is coming to it from a difficult situation.

Thank you for your support!

Allison Yount provided designer skills for the interior of the house and helped create the Wish List. *Thank you*, Allison, for your dedication to making **The NEST House** comfortable and inviting.

Willie Richardson and his crew from Blue Ridge Painting painted all ceilings, closets and interior rooms of **The NEST House**. *Thank you* for your hard work to brighten and lighten!
